## *Company Profile*

Shanghai Tianjia Biochemical Co., Ltd is located in Shanghai, the international & modernized city in China. We are a professional producer of food flavorings for beverages & bakery, our annual production capacity is 1,000MT. We can provide recipes for different finished products, and the tastes are very popular in the markets. Meanwhile, we are also a main distributor of food ingredients, pharmaceuticals & feed products. We expert in mixed containers. Our products are delivered to the global markets. We have excellent teams engaged in providing qualified products, professional logistics services and after-sale services. We believe Customer Satisfaction is Our Top Priority!

## Proteins & Starches

Casein	Wheat Starch	Sodium Caseinate	Vital Wheat Gluten
Corn Starch	Soy Fiber	Pea Fiber	Soy Protein Isolated
Soy Lecithin	Egg Powder	Soy Concentration Protein	

## Antioxidants

BHT	Calcium Ascorbate	Erythorbic Acid	Sodium Ascorbate
Ascorbic Acid	Sodium Erythorbate	Coated Ascorbic Acid	Green Tea Extract
TBHQ			

## Thickeners

CMC	Pectin	Carrageenan	Guar Gum
Agar	Xanthan Gum	Sodium Alginate	Konjac Gum
Gelatin	Gellan Gum		

## Phosphates

Phosphoric Acid	Dicalcium Phosphate	Monocalcium Phosphate	Monosodium Phosphate
Trisodium Phosphate	Tricalcium Phosphate	Ferric Pyrophosphate Hydrate	
Sodium Tripoly phosphate (STPP)		Sodium Acid Polyphosphate (SAPP)	
Sodium Hexametaphosphate(SHMP)			

## Preservatives

EDTA	Sorbic Acid	Sodium Lactate	Sodium Diacetate
Sodium Benzoate	Calcium Propionate	Potassium Sorbate	Sodium Acetic Anhydrous
Benzoic Acid	Glucono Delta-Lactone		

## Sweeteners

Sucralose	Stevioside	Aspartame	Acesulfame K
Maltodextrine	Sorbitol Liquid	Fructose	Liquid Glucose
Dextrose Anhydrous	Sorbitol Powder	Sodium Cyclamate CP95	Sodium Saccharine
Dextrose Monohydrate	Sodium Cyclamate NF13	Polydextrose	

## Acidity Regulators

Tartaric Acid	DL Malic Acid	Sodium Citrate	Potassium Citrate
Fumaric Acid HWS	Fumaric Acid CWS	Citric Acid Anhydrous	Lactic acid
Citric Acid Monohydrate			

## Amino Acids

L-Valine	Inositol	Taurine	L-Lysine
L-Leucine	L-Isoleucine	L-Glutamine	L-Carnitine Base
Caffeine Anhydrous	Creatine Monohydrate	Glycine	L-Alanine
L-Arginine	L-Cysteine	BCAA	DHA
D-gluconolactone	L-Proline	L-Threonine	L-Tyrosine
L-Methionine			

## Vitamins & Pharmecuticals

Vitamin C	Vitamin E	D-Biotin	Folic acid
Vitamin B1	Vitamin B2	Vitamin B3	Vitamin B5
Vitamin B6	Vitamin D3	Vitamin B12	Vitamin A
D-Panthenol	Paracetamol	Analgin	Dexamethasone(DXMS)
Progesterone	Lanoline Anhydrous	Phenacetin	Tilmicosin Phosphate

## Flavors Ingredients

Maltol	Vanillin	Ethyl Maltol	Ethyl Vanillin
Menthol Crystal	Monosodium Glutamine	Vanilla Flavor	Peppermint Oil
Fruits Flavorings	I+G	Cocoa Powder	Cream Tartar

## Cosmetics & Chemicals

Glioxilic Acid 50%	Tween 80	Caustic Soda	Formic Acid 85%
Methyl Salicylate	Sodium Bicarbonate	Azodicarbonamide ADA	Sodium Hydrosulfite 88%
Propylene Glycol USP	Ammonium Bicarbonate	Sodium Nitrate	Sodium Nitrite
Barium Nitrite	Ferrous Sulphate	Camphor DAB8	Methyl Paraben
Titanium Dioxide	Distilled Monoglyceride (DMG)
